LOYALTY CARD FAQ:

Where can I get a Loyalty Card?

You can ask for a Loyalty Card from one of the team at our Holiday Club.

How many Loyalty Points do I get from my bookings?

You will receive one reward stamp for every paid child that you drop off in the morning. Only full cards are accepted for free days and part cards cannot be added together. Once you reach 7 full stamps you will have 1 free day to use in the future throughout 2015. Your free booking needs to be made at least 24 hours in advance by contacting our office, and producing the full card on the morning of the free day. *(This is subject to change).*

I have lost my Loyalty Card what can I do?

Cards should be treated like cash even though they hold no cash value. All rewards are lost if your card is lost or stolen. You can ask for a replacement from a member of staff.
