

Countryside Skills

Are you aged 16-24?

Do you have an interest in the countryside, conservation, wildlife and working outdoors?

Yes? Then be part of something new and different this autumn and join our Countryside Skills Programme

- 2 days a week for 12 weeks
- Learn new skills and gain qualifications
- Work alongside North East Wales Wildlife visiting and working on different wildlife sites

The programme is Wrexham based but participants can be from other areas if they can make their own way to a central pick up point (Travel expenses will be paid)

What's involved

- Gain accredited qualifications in Health & Safety, First Aid and Level 2 in Countryside skills
- Gain practical skills in using tools and equipment, with wildlife, the outdoors and conservation themes
- Get site management and field survey experience with North East Wales Wildlife at local nature reserve
- Get career planning advice and support for outdoor and countryside jobs

For more information or to reserve a place call 01978 757524 and ask for Lisa Jones email lisa.jones@groundworknorthwales.org.uk www.groundworknorthwales.org.uk
